

**CITY OF CHARLOTTESVILLE**  
**Department of Public Works / Engineering Division**

**DATE:** February 17, 2021  
**ADDENDUM NO. \_\_\_\_** 2  
**NUMBER OF PAGES:** Two (2)  
**SOLICITATION REFERENCE:** BELMONT BRIDGE/20-11  
**TITLE:** Belmont Bridge Replacement  
**BIDS/PROPOSALS DUE:** Friday, March 5, 2021 at 1:30 PM

This addendum has been issued to address the following:

The following documents have been added to the ftp site in a folder titled "Addendum #2":

1. Pre-Bid Questions and Answers for questions received on or before 5PM on Friday, February 12, 2021 issued as Attachment A.
2. Redlined IFB issued as Attachment C with the following changes:
  - a. Page 11, Instructions to Bidders, Section 2.4, Subsection A: Strike and replace this section with the following such that the binding term of the bids is consistent throughout this section at 90 calendar days:

**A. Bids must be submitted and prepared in accordance with these Instructions to Bidders. It is the responsibility of each bidder to examine all documents and plans (including, without limitation, specifications and drawings, and the form contract) made available by the City for inspection by potential bidders, prior to submission of a bid. Unless otherwise specified by the solicitation, all bids and proposals submitted shall be binding for ninety (90) calendar days following receipt by the City, unless extended by mutual consent of all parties.**
  - b. Page 20-30, Belmont Bridge Replacement Base Bid – Bid Tab: Strike and replace the Addendum #1 Base Bid – Bid Tab with the updated one issued as Attachment B and incorporated herewith in Addendum #2. An Excel Spreadsheet version of the updated Bid Tab is available on the FTP Site.
  - c. Page 421, Special Provision for Natural Gas Facilities, Section II, B. 2: Strike and replace the fourth paragraph with the following:

**The following Contractors are pre-certified to conduct gas construction on City of Charlottesville gas facilities. The Contractor shall utilize one of these contractors for the gas work unless otherwise approved by the Engineer prior to the receipt of bids. Substitution of gas contractors shall be approved prior to the bid receipt date and are anticipated to require 24 hours response time.**

Should bidders wish to use a gas subcontractor not listed on pages 421-422 of the IFB, bidders just need to submit a complete package of certifications as detailed in the special provision Section II to [janicize@charlottesville.gov](mailto:janicize@charlottesville.gov) for pre-certification prior to the submission of a bid. It is anticipated to require 24 hours (business days) to issue a concurrence and pre-certify a bidder's selected subcontractor.

3. Further clarification to the answer for Pre-Bid Question 12 and 71 regarding the Contractor's liability for the costs of railroad provided flagging services for work over or adjacent to the railroad is offered below:

**The Contractor is only liable for the cost of additional railroad flagging service due to the Contractor's selected means and methods beyond the estimated amount documented on the Buckingham Branch Railroad's Force Account Estimate provided with Addendum #1. The Contractor is not liable if an equal to or less amount of flagging is required than that documented on the Force Account estimate. Please note that this Railroad Force Account also provides an estimated amount of Engineering and Administrative cost in addition to flagging and is also discussed in the Special Provisions for Section 107.19 – Railway Highway Provisions.**

4. The following plan sets associated with the Base Bid have been revised as follows:

C-501 Roadway

- Sheet 1D Revision 5 – Revision Summary Sheet
- Sheet 1J(2A) Revision 5 – Sequence of Construction
- Sheet 4 Revision 5 – Roadway Plan Sheet
- Sheet 9(2) Revision 5 – Revised Traffic Signal Plans Summary

B-601 Bridge

- None

B-602 Bridge

- None

Stairs

- None

Tunnels

- None

Pedestrian Fence (Additive Bid Item #1)

- Uploaded the correct complete set of plans beyond TF-01 sheet for the pedestrian fence on B-601 and B-602.

The City has made the following documents available in the IFB Information Package folder for the bidder's information and use. All of these documents are not part of the Contract Documents and are for informational purposes only. These documents are available for download in the IFB Information Package folder on the FTP as of February 9, 2021 :

- Applicable Dominion Blue Book Standard Details for structures associated with the underground duct bank.

All old sheets have been removed from the ftp site and all new documents associated with this addendum are in a folder titled Addendum 2.

Addendum #2 documents were finalized and uploaded to the ftp site on February 17, 2021 at 1:00 PM.

Note: A signed acknowledgment of this addendum must be received at the location indicated on the solicitation either prior to the solicitation due date and hour or attached to your bid/proposal. Signature on this addendum does not substitute for your signature on the original bid/proposal document. The original bid/proposal document must be signed.

Respectfully,

Jeanette Janiczek  
UCI Program Manager
